

Board Membership Application

The Wyoming Health Council provides access to Family Planning for all women, men and teens who request our care, especially those with low incomes who may not have health insurance.

The Wyoming Health Council is managed by its Board of Directors which are selected as follows, "Board Members shall be drawn from persons broadly representative of all significant elements of the population to be served and others in the community who are knowledgeable about community needs in the development, implementation and evaluation of the program." *

Board members will have 1) a commitment to reproductive and other community services including but not limited to family planning; 2) a commitment to the public funding of family planning; 3) the ability to attend regular board meetings; 4) the legal ability to contract.
